DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: the prior art does not disclose or render obvious the device as claimed in claim 3, where a vertical transistor is formed by the substrate, second layer and second region, and wherein a gate electrode for reset and a fourth semiconductor region are formed, with said semiconductor layer, said reset gate, and said fourth region forming a buried-channel type of transistor. The prior art also does not disclose the device of claim 7, wherein a third semiconductor region of the second electroconductive type, having an impurity concentration higher than that of the first semiconductor region and formed on the semiconductor layer in the region facing said first region with said gate electrode for read sandwiched between them, said third semiconductor region and said substrate forming a vertical transistor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John C. Ingham whose telephone number is (571) 272-8793. The examiner can normally be reached on M-F, 8am-5pm.
